Wausau Bone & Joint to Relocate to New Facility Effective September 2, 2008

The Bone & Joint Center is pleased to announce the opening of the new Bone & Joint Musculoskeletal & Surgery Center on **Tuesday, September 2, 2008**. Any appointments scheduled for the **Wausau clinic on or after September 2, 2008 will be held at our new Wausau/Rib Mountain facility**. This relocation will not affect appointments scheduled at our Medford or Merrill clinics.

In addition to a highly specialized orthopaedic clinic facility, we are also pleased to offer our patients an outpatient surgery center that features state-of-the-art equipment, advanced medical technology and a dedicated staff who specializes in orthopaedic and musculoskeletal care—the first center of this type in central Wisconsin.

The Bone & Joint Center is located at:

5200 Hummingbird Road
Wausau, WI 54401

Just off from the new Highway "R" in the Town of Rib Mountain

Our new phone number effective 9/2/08 is: **715.359.6442** or **800.445.6442**

This highly specialized orthopaedic and musculoskeletal facility is designed to present an ideal environment for clinic visits, outpatient surgery, and physical therapy services. Its creation signifies the commitment of Bone & Joint physician partners to enhance patient satisfaction and provide exceptional orthopaedic and musculoskeletal care in a healing environment. As a patient of Bone & Joint, you will continue to be treated by a staff of nurses, technicians, and fellowship-trained physicians and board-certified surgeons who specialize in orthopaedic care.

We look forward to having you visit our new musculoskeletal and surgery center soon. Please mark your calendar for Saturday, October 18, 2008 from 11:00 a.m. until 3:00 p.m. to join us for our public open house which will include food, refreshments, building tours, and other family activities.

If you have questions about a previously scheduled appointment, or wish to schedule an appointment, please call us at 847.0402 between now and September 2, 2008 or at 359.6442 on or after September 2, 2008.

Sincerely,

W. Robert Cooper, CMPE, CHBC
