

## MISSION STATEMENT

The mission of Grace Lutheran Foundation, as a complementary arm of Grace Lutheran Church, is to respond to the spiritual, physical and social needs of People in order to enhance human Dignity and growth by providing high quality Christian-based services.

Throughout the year, we are often approached by individuals wishing to enhance the lives of our residents, clients and staff through monetary donation to our program; it may be to recognize a special day, establish a memorial or to honor someone special. We have developed our *Program Enhancement* listing for this reason.

If you are interested in discussing a tax-deductible contribution toward one of our *Program Enhancements*, or a *Program Enhancement* of your choosing, please contact:
