

COURSE 201: Instrument Add-On Package

This course is intended to provide the ground & flight training necessary for an individual to become qualified for an Instrument Rating to be added to his/her current pilot certificate
Included in the package are the following:

40 hours in IFR Certified, G1000 equipped Diamond DA40 (\$6,400.00)
40 hours Certified Instrument Flight Instruction (\$1,920.00)
FAA Written Knowledge Test (\$80.00)
2 hours FAA Practical Flight Test (estimated \$250.00)
Instrument Study Materials (\$179.00)

Estimated Complete Package Price: \$8849.00
Advance Payment Rate \$8429.00

Payments may be made in advance or as you go.

If you complete your Instrument Pilots License within 12 months of the start of ground school, the ground school class will be credited to your account for advanced instruction and/or aircraft rental.

These costs are estimated and will vary depending on the performance and needs of the student.
