

IT'S ALL ABOUT THE VALUE OF TIME...

## The Core Components That Make a Charter Service Sense

### Time Is of The Essence

- Time sensitive schedule
- Critical meetings
- Itinerary dynamic to your needs

### Remote/Rural Destinations

- Need closer access to destination with non commercial airport
- Need a direct flight

### Multiple Destinations

- Complete several commercial travel days in one
- Be home by the evening
- Conduct multiple meetings in multiple cities in one day

### Group Travel

- Prepare for meetings in privacy on your way to destination
- Send multiple people for the price of one
- Need an economical alternative to commercial flying
