

# CD Trayliner Specifications

**Flat Size**— $5 \frac{29}{32} \times 4 \frac{5}{8}$  inches

**After Folds**— $5 \frac{13}{32} \times 4 \frac{5}{8}$  inches

(sides that fold up and become the side panels are  $\frac{1}{4}$  inch each)

Provided Artwork should take up this entire area. Any artwork within the  $\frac{1}{4}$  inch on the sides will wrap around and be viewed on the side of the cd case. This can be double sided when used with a clear case. If this options is used, inside artwork will show around the area of the cd, inside the case.
