

Wisconsin & Upper Peninsula Lennox Dealers, their employees and Lennox Industries are teaming up again this fall to...

## **HEAT U.P. Wisconsin**

Last fall 72 high-efficiency, Energy Star rated Lennox gas furnaces were provided to deserving families and homeowners in Wisconsin who had fallen on tough times. Lennox and the Wisconsin and U.P. dealers have committed this year to providing **100 furnaces**, expanding the campaign to include families and Lennox dealers in Michigan's Upper Peninsula!

**Do you know of a family in need?  
Is a loved one away on military service?**

Submit their story and they could have a **new furnace** installed. Visit **[www.heatupwisconsin.com](http://www.heatupwisconsin.com)** for more information and to submit an entry. **Deadline for submission is 9/15/2011.**

**Comfort for a lifetime.**
