

It's Party Time . . .

There must be one responsible adult in attendance at all times for the party.

Let the YMCA be the location of that special birthday party for your child. Parents will be responsible for refreshments, gift opening time, changing time in the locker rooms and the length of time the children are in the pool, racquetball courts and basketball gym time. Parents must be on the pool deck or in the pool with the children.

Parents are encouraged to actively participate with their children.

PARTY ROOM (all ages) Parents are responsible for children at all times.

During your time at the "Y", we will provide you with our Party Room for your food and gifts, use of gyms for basketball, a racquetball court and the opportunity to swim. Recommended number of children is 12.
