### Manufacturer Loyalty Programs

We provide listings of stocked items that qualify for programs like Cool School Café & Step-Up-To-The-Plate. We track them and direct deposit your points electronically.

### In-Services

IFD has library of written in-services to assist you in your training. Topics include production, food quality, safety, customer relations, sanitation & cleaning, nutrition. We also have trained specialists that can deliver on-site training including ServSafe classes and testing.

### School Nutrition Association

Sustaining and active member, Staff CDM holds elected seat on SNA-WI Industry Advisory Committee and attends meetings. IFD participates in spring and fall education conferences and annual shows in Wisconsin and Minnesota.

### CN Listings

IFD provides a report to assist schools in planning their meals in accordance with healthy eating programs. The report lists a majority of all the products at IFD that carry the Child Nutrition label or have USDA Child Nutrition equivalencies. It includes the m/ma & b/ba values.

### Chemical & Beverage

Our chemical and beverage department has staff dedicated in both Minnesota and Wisconsin. They can assist you in your chemical choices as well as offer options in chemical dispensing and dishwashing equipment. This department offers a variety of juice & coffee services including equipment and products.

### IFD Food Shows

We hold two extensive buying/food shows per year. These shows give you great savings and expose you to new products on the market. Our shows are pre-approved for ADA, DMA and SNA continuing education credits.

### Coupons & Rebates

Coupons and rebates are computer tracked at IFD. At the end of the program, qualifying invoices are hand delivered to our Customers for remittance.

### Allowances

Any and all non-profit allowances are automatically applied at point of purchase on the invoice as a separate line item.

### School and Special Bookings

To assist you in getting ready for the upcoming year/semester, IFD gives you the opportunity to book in advance with value added savings. We also offer the opportunity to participate in special theme and holiday item bookings.

### IFD Dedicated Brokers

Each of the major brokerage houses have representatives that are dedicated to IFD and our Customers. They are well trained in the lines they represent and assist our consultants with any needs.

### USDA Commodities

In both Minnesota and Wisconsin we are set up to receive and deliver your USDA donated foods, including electronic tracking and uploading of rebate purchases in Minnesota, and Direct Diversion tracking through K-12 and processor link in Wisconsin and electronic tracking of diverted cheese.
