

WE ARE IN THE NEWS!!!

Mid-State Truck Service in Wisconsin installed a PARTSMART® display at the local Central Wisconsin Co-op. The Co-op is happy to have the display and looks forward to a prosperous future with PARTSMART®.

- Shown at right is Ken Fleisner, who has been with Mid-State for 35 years and is responsible for the setup and daily transactions of the PARTSMART® display, and the customer.
- Thanks to Max Rhyder, Parts Director at Mid-State, and Dean Mikula, Parts Sales Manager, for providing this success story. If you have a story to share, email Ronda.Fotis@Navistar.com.
