Round Tube Bolt On Gate Hinges

J&D Manufacturing is your Gate Accessory Headquarters!

Our new round tube gate hinges provide a flexible option when hanging your gates. The bolt on design allows you to adjust the gate height at any time without drilling new holes or creating a new weld.

Features:

- Hot dip galvanized for long life
- Quick and easy bolt on design
- Hinges to mount 1 5/8", 1.9" tubes to 1 5/8", 1.9", 4" posts
- Sold in pairs with mounting hardware
