Aluminum Exhaust Shutter

J&D Manufacturing's Aluminum Exhaust Shutters are designed to be used with J&D exhaust fans. Shutters are constructed with a heavy duty aluminum extrusion frame and strong welded corners, all at an affordable cost. Our aluminum shutters are by far the best valued shutter available on the market today.

Features

- High efficiency shutter with tie bar to eliminate shutter flapping
- Nylon bearings and solid shafts for smooth performance
- Heavy duty extruded aluminum frame
- Corners are precision milled and welded for durability
- Interlocking louvers for maximum weather seal
- Double panel models include additional center bar for extra strength
- Motorized shutter kits available to turn any aluminum shutter into a power shutter
