Guess The Weight of the Giant Pumpkin

Travis Warren, of Burlington, WI, was the only person to guess 720 pounds, the exact weight of the largest pumpkin! The giant pumpkin was grown by Jon Lanier of Black River Falls, WI.

Congratulations to everyone! The Warrens Cranberry Festival encourages anyone interested to enter our contests again in 2012!

The purpose of the Warrens Cranberry Festival shall be to promote the common good and general welfare of the community of Warrens, including holding an annual community festival and raising funds to be used exclusively for civic betterments and social improvements in the Warrens community.
