40 LBS. NET WEIGHT

MELT-A-WAY ICE MELTER WITH TRACTION GRIP GRANULES

DIRECTIONS FOR USE: Apply at the rate of 8-3/4 to 12 lbs. per 1,000 sq. ft. For best results product should be swept up after melting period. Hands should be washed with soap and water after contact.

CAUTION

Do not use on concrete that is less than 2 years old or any decorative concrete surfaces. Remove the melted solution and grit immediately to prevent penetration of cracks and porous areas of concrete as freezing/thawing action of solution can cause damage to your concrete areas.

STORAGE

Store in dry, cool area. Do not store inside home where warm temperatures may cause melting of product.

ADDITIONAL PRECAUTIONS

Avoid contact with eyes, skin and clothing. Do not take internally. In case of contact with skin, wash with plenty of water. In case of contact with eyes, wash with plenty of water for at least 15 minutes and get medical attention.

KEEP OUT OF THE REACH OF CHILDREN!
