

GET YOUR LAWN OFF TO THE BEST START THIS YEAR WITH A MARCH/APRIL

APPLICATION OF

MAG-I-CAL™

- 35% available Calcium begins to work as soon as it's watered in.
- Humates will stimulate microbial activity, which frees tied up nutrients in your soil.
- Will help green your lawn earlier with out pushing excessive early growth.

- Use one **10,000 sq. ft.** bag in place of up to **10 bags of lime**
- Use one **5,000 sq. ft.** bag in place of up to **5 bags of lime**
