

## High School Update

February 5, 2012

**Help with Winter Sustainability Festival, Feb 11.** Thank you to students who have volunteered to help this weekend at Northstar Middle school from 1-5:00 PM. We have had a lot of interest and may have lots of traffic! At this point, I have coverage for all the shifts and tables. I would welcome anyone who may still want to drop in to help for an hour or two. Please contact [jillc@firstucceauclaire.org](mailto:jillc@firstucceauclaire.org)

**Dooley's Pub—Backroom:** February 19, 6:00 PM. Drop-in, chat, get to know one another. Church will back each student with \$5 toward the menu item of their choice. Let me know if you will join us!

**Youth Sunday: March 4,** we celebrate and honor our youth ministry. Elizabeth Seipel and Henry McMahon have said yes to speaking on that Sunday morning. Caleb Schuster is considering a yes answer. Scouts wear their uniforms, middle

and high school youth share their talents and participate in communion, ushering and children's message. We want to celebrate your presence with us. Speak out!

**Feed My Starving children: March 10,** leave at 9:00 AM. Possible climbing wall experience on the way home. More information to come.

**Easter:** April 8, Celebrate!

---

Feel free to contact Jill Christopherson at [jillc@firstucceauclaire.org](mailto:jillc@firstucceauclaire.org) with your suggestions and/or your availability.

**High School Activities** are offered as components for your youth's spiritual growth. Young adults find their place in the faith community by belonging. To belong is to give to the community through participation and to receive the recognition of a variety of adults outside the family.

### **Mission Statement:**

Religious Education provides opportunities within Christian community for adults, children and families to practice faith in meaningful ways. We support people to grow in their understanding of the values of the United Church of Christ and to live the UCC faith values in the family, the school, the community, and the world.
