Sunday School Bible Themes

We finish our Christmas unit January 8 and 15 with the wise men who followed the star and brought gifts to Jesus.

Jesus baptism and the meaning of baptism form the

theme on January 22, January 29, and February 5. (No Sunday School for K-1 on the 5th).

On February 12-26 we learn about two of Jesus' devoted followers, Mary and Martha.

Explore the Meaning of Communion

At First Congregational, children can take Communion when their parents feel they are ready. Families can explore Communion together during activity stations in the lower level hallway on beginning Sunday, January 29. On February 1, families can talk with Pastor Mark during the 5:30 supper in Ingram Hall (\$2/person). Communion is served during worship on February 5, when you can choose to have your child take Communion with you.

Nursery/Preschool Groups
